## **SPOT ON SPEAKING**

*NEW - AVAILABLE MAY 2009*

70 cards with topics for recounting, discussion and extension of vocabulary. Includes an extra challenge option on each card and also alternative examples on some cards. Ideal for children in the early primary grades.

**A BOX OF RIMES - Short Vowels & Long Vowels.** 50 Cards in each box featuring common rimes in words and sentences. These cards will promote fluent decoding and the use of analogy in reading and spelling.

## **AWAY WITH WORDS and WORDWISE**

Each of these packs has 5 separate activity card packs to encourage extended discourse, reasoning and vocabulary.

**CHATTERBOX** contains 72 cards for promoting discussion, conversation and social awareness. They target skills such as - Giving Opinions, Comparing and Explaining Preferences, Making Inferences, Determining Causes and Consequences. It is ideal for oral/written tasks. Appropriate for use with a broad age and ability range and ESL students.

## **FLIPS - Fun Language Interactions to Prepare for School Success**

100 language activities and hints promoting extended turns to talk & stimulating vocabulary, listening & thinking skills.

**LANGUAGE BITES** This package is ideal for your classroom or therapy language groups. 80 "ready to use" activity cards which focus on the development of 4 important language skill areas - asking quality questions, Listening actively, using language for thinking and reasoning and building vocabulary.

**Language MINI Bites** The 64 activities were developed to extend and complement the classroom activities featured in LANGUAGE BITES. Activities focus on four important speaking and listening skills - Active Listening, Asking Quality Questions, Word Wonder, and Powerful Thinking.

**LANGUAGE SPINNERS** A quality language board game with eight different disc overlays for focusing on Narrative (What's Your Story, Mystery Person); Factual texts (Keep Me Informed, What's Your Opinion); Vocabulary (Word Microscope, Exploring Words); and Personal Information (Getting To Know You, Getting Along).

**LISTEN & LEARN** Promote active listening with a variety of games and activities. The kit includes a set of "ears", picture cards & game grids, 'busy' scenes & counters for listening to details as well as objects for barrier tasks & more!

**PADDY'S LANGUAGE PACK** 20 appealing colour photos of 'Paddy the bear' and language activities to stimulate oral and written language. Paddy is shown in familiar settings (e.g. watching T.V) and new situations such as camping. This is fantastic for working with individual students or groups.

**SINGING ALPHABET** 29 A4 cards introduce and reinforce sound letter links. Features an amusing picture and alliterative phrase E.g. "Ugly uncles u u u", sung to the tune of "Skip to My Lou". An excellent early literacy resource.

**SOUNDS FUN** This consists of 3 card packs for early phonological awareness in the areas of syllabification, rhyme & first sound awareness. There is also a "Listening puppet" and game instructions.

**STORY TALK** Everything you need to support oral story telling - Photographs for characters, settings and story triggers, magnetic frames to highlight story structure, the Story Star, and Smiley the bendy man, the central character in modeled stories. Plus loads more on the STORY TALK CD. All comes in a sturdy carry bag.

**WIZARD** contains 2 word and picture card packs for working on sound analysis and blending to improve early decoding and spelling skills. Includes a colourful A3 board game, and instructions for numerous literacy activities.

**WORD JOURNEY** This vocabulary resource consists of four coloured vocabulary game-boards and one blank game-board for photocopying. Includes a variety of task cards to build word knowledge - Meaning, Association, Sentence, Opposite, Synonym, Word Building, Sounds Like and Figure It Out (idiomatic language).
